S i r,

Adverting to correspondence ending with Government order No. 6938-9/Ml.112-11-4 dated the 25th March last sanctioning the increase of one rupee to the pay of some sweepers of the Davangere Municipality, I have the honor to state as follows -

2 There are 42 sweepers on the Conservancy Establishment of the Davangere Municipality of whom only 20 men have been given the increase as sanctioned in the Government order under advertence. The remaining 22 sweepers presented a petition praying that their pay also may likewise be either raised from 5 to 6 rupees or they be permitted to earn some wages elsewhere in the afternoons in order to supplement their present income. The subject having been placed before the meeting, the Council have resolved that the pay of these 22 sweepers also may be raised to 6/- rupees per mensem. A copy of the resolution on the subject is enclosed herein

3 The President of the Municipality in forwarding the correspondence supports the resolution of the Council He states that there being much demand for the services of the cooly classes in the busy and trading town of Davangere, each person gets outside daily wages of not less than four annas and as such it would be very hard if the pay of the fest of the sweepers is not raised. Further

it

it is represented that these servants find it very difficult to maintain themselves out of their small pay on account of prices of provisions ruling high. For the same reason the Council have also proposed to increase the pay of the 4 conservancy peons by one rupee and have made due provision therefor in the current year's budget of the Municipality which has been approved by Government

4 For the efficient discharge of the Conservancy work, it is considered desirable that the pay of the servants referred to above should be raised, and I accordingly recommend that the proposal of the Council may kindly be sanctioned

5 There being no provision in the sanctioned budget to meet the proposed excess pay of the sweepers, the same will be met by necessary reappropriation of funds

I have the honor to be,

S i r,

Your most obedient servant,

Assistant Commissioner in charge,

Chitaldrug District

S R,

Adverting to your docket No. 4674/Ml. 56-12-15 dated the 4th January last re the increase to the pay of 22 sweepers and 4 conservancy peons of the Davanagere Municipality, I have the honor to submit herewith a copy of the resolution of the Davanagere municipal council dated 31st January 1913. It will be seen therefrom that the council is in favor of granting the proposed increase It is stated that in the event of the increase not being sanctioned to these servants, they are sure to quit the service in order to find better means of livelihood in the commercial concerns of the place and that in that case the conservancy work of the municipality will suffer as it would not be possible to replace these men. The President of the Municipality in forwarding the copy of the resolution supports the views of the council

2. I accordingly recommend that the proposal of the council may be sanctioned. I have ascertained by personal enquiry that labour is very dear at Davanagere, and that it is most difficult to get the menials required for the various Government Departments on the sanctioned rate of pay.

3. The ensuing year's budget estimates of the municipality

already submitted to Government will show that there would be a large balance of Rs 96,567 at the credit of the municipality at the close of the next official year even after providing for the additional recurring expenditure under advertence. The municipality can easily bear the additional cost.

I have the honor to be,
